

My gift to

Academy with  
Community  
Partners Inc.

As a **REALTOR®** and friend of some of the faculty, parents and students of **Academy with Community Partners**, it's my pleasure to **give back** in the best way I'm able. **For the year of 2021...**

When you **list** and successfully sell your house with me as your **REALTOR®**, you'll receive **up to \$1,000.00** of my commission back **towards your qualifying closing costs!**

When you **purchase** a house with me as your **REALTOR®**, you'll receive **up to \$500.00** of my commission back **towards your qualifying closing costs!**

**As a gift to the school, for every real estate purchase or sale I am able to successfully complete with faculty or parents, I will donate \$250 to Academy with Community Partners!**

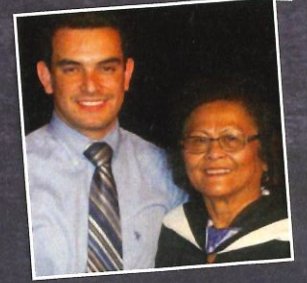

Please call, text or email me any time... even just to ask a real estate question.

# MISSION STATEMENT

**P**artnerships combining the resources of the community, family, and the Academy provide an authentic learning environment in which students become active learners through an alternative and recovery High school program.

Students empowered with hope develop a feeling of success as they work through real-world projects as valued members of the learning community.
